- GitHub Issues
- Unit Testing
- Integration Testing
- System Testing
- Black-box Testing
- White-box Testing
- Static Code Review

About Me

I'm a Front-End Developer and Software Tester, graduating this year with a degree in Mathematics and Computer Science. I'm currently sharpening my software testing skills at PLP Academy and actively seeking an internship where I can apply my knowledge to real-world projects. I enjoy building intuitive user interfaces and ensuring they work flawlessly through rigorous testing.

Education

- **Bachelor of Science in Mathematics and Computer science**
Kenyatta University
Expected Graduation: December 2025
- **Software Testing program**
PLP Academy (Power Learn Project)— Remote
expected graduation - August 2025
